TOP 5 PLACES TO VISIT

Gediminas’ Tower of the Upper Castle - The Vilnius Castle Museum was opened in 1960. An observation deck on the top of the tower is the best place from which to appreciate a magnificent panorama of Vilnius.

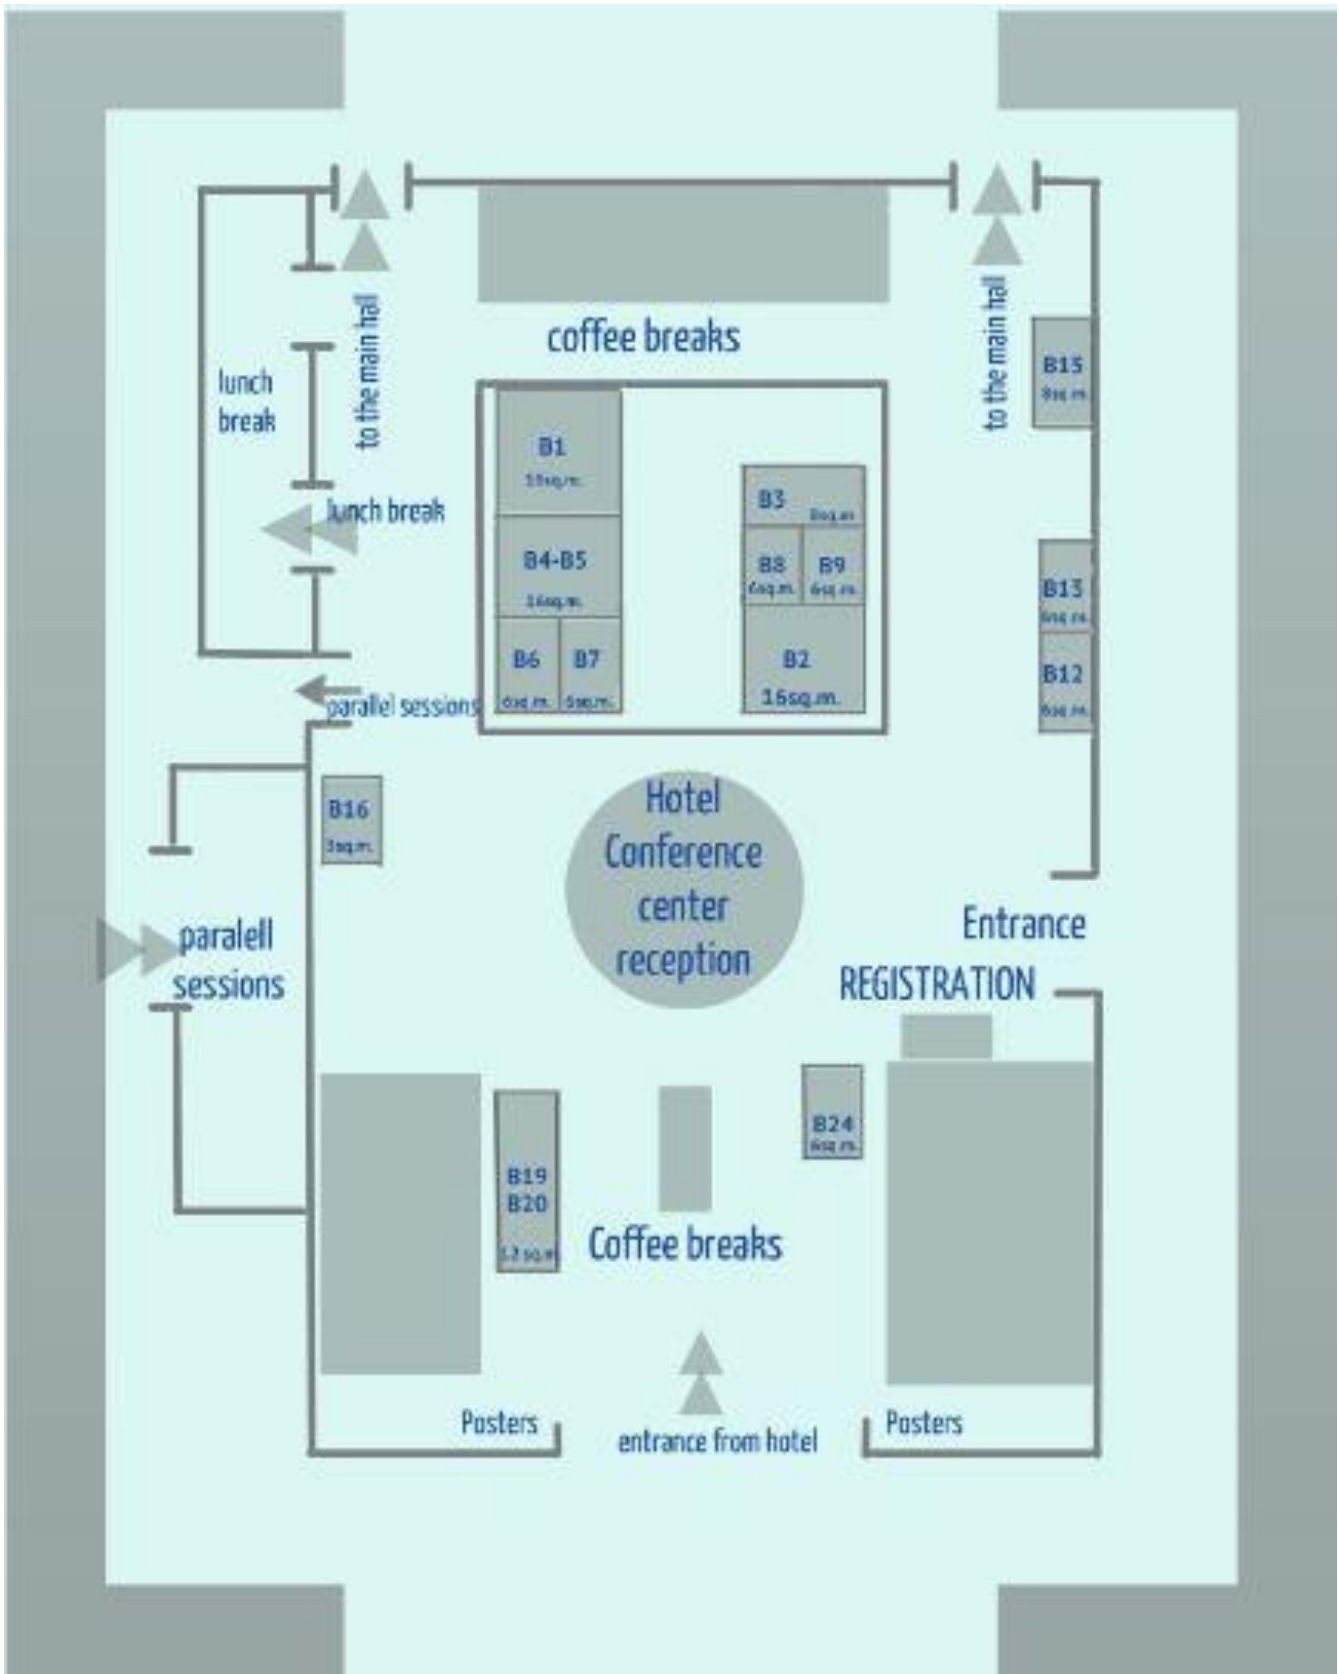

Vilnius Town Hall - The Town Hall building was Gothic to begin with and changed with time. The Town Hall was reconstructed for the last time by the architect Laurynas Stuoka-Gucevičius at the end of the 18th century. Today Vilnius Town Hall is a representative building.

Church of St. Anne - The church of St. Anne is a masterpiece of the late Gothic period. St. Anne’s Church, which has survived to the present day without changing for over 500 years, has become a symbol of Vilnius.

Vilnius University - Vilnius University is one of the oldest universities in Eastern Europe. The complexes of Vilnius University were formed over several centuries and, as a result, consist of the buildings built in Gothic, Baroque and Classical styles.

Stiklių-Žydu-Gaono Streets - These streets were included in the medieval Jewish quarter, which was west of Didžioji Street, and reached as far as Dominikonų and Vokiečių Streets.

VENUE MAP

Please note, that Congress exhibition and Poster exhibition will be held on 12th – 13th October, 2012.

Poster session will be held on 12th October, 2012 | 18:00 – 19:00.

At least one author of each poster should be present for discussion and questions during the poster session.
